C **Emi** **F** **Am**
1. It's raining outside, but that's not unusual
C **Emi** **F** **Am** **G**
but the way that I'm feeling's becoming usual
F **G**
I guess you could say
C **Am**
the clouds are moving away...
G **Gsus** **G** **F7** **C**
away from your days, and into mine

C **B** **Ab** **C**

C **F** **G** **Am**
2. Now it's raining inside and that's a shame
C **F** **G** **Am** **G**
and it's getting to me...a happy man
F **G** **C** **Am**
Why would would want to waste all my time?
G **Gsus** **G** **F7** **C**
The world is yours, but I am mine

C **F**
R: Rain, rain, rain
G
in my tears
C **F**
measuring carefully
G
my years
C **F**
shame, shame, shame
G **Bm7**
in my mind
Eb **B** **C**
see what you've done to my life
