

# Who Needs Me

Uriah Heep

Don't take life for granted  
'Cause you know that  
Life won't grant you back  
The feelings on the love  
That you once had

You've taken me for granted  
'Cause you know  
I'm a lover just like you  
And I'll do anything  
You want me to

Who needs me?  
Who needs me now?  
You'll find someone  
How you'll find one  
Who needs me?  
Who needs me now?  
You'll find another but no better

You can't argue with me now  
I needed you and  
You did not know how

Don't let go of something  
That is good when  
I'll tell you it's bad  
Let 'em hear the story  
Make 'em sad

And if the price of love  
Can cost you less than  
When it first began  
I guess that you won't  
Find a better man

Who needs me
