

## Lonely Pub

Urma

A lonely pub with people losing control...  
Red wine is playing games with all of my hopes  
My ash-tary's full... I'm like a junkie on the run  
I'll have a coffee and admire all the angels around

It's alright... it's alright  
I'm gonna make it one more time  
It's alright... it's alright  
I've always made it... so I'll do it one more time tonight

You say you like me but I feel you're just blind...  
Cause you don't see the demons hiding inside  
You whispered me softly...you want me to heal  
Don't keep your heart closed `cause in this way you are getting  
me killed

It's alright... it's alright  
I'm gonna make it one more time  
It's alright... it's alright  
I've always made it... so I'll do it one more time tonight

You said you'd look the stars for me...  
How could that be ? When you can't even see me drowning in here  
You whispered me softly... you'll stay around  
Where are you hiding? `Cause I'm losing all my decency now

It's alright....it's alright  
I'm gonna make it one more time  
It's alright....it's alright  
I've always made it... so I'll do it one more time tonight
