

# Burn

Usher

Girl, understand why  
See it's burning me to hold onto this  
I know this is something I gotta do  
But that don't mean I want to  
What I'm trying to say is that I-love-you I just  
I feel like this is coming to an end  
And its better for me to let it go now than hold on and hurt you  
I gotta let it burn

It's gonna burn for me to say this  
But it's coming from my heart  
It's been a long time coming  
But we done been fell apart  
Really wanna work this out  
But I don't think you're gonna change ya  
I do but you don't  
Think it's best we go our separate ways  
Tell me why I should stay in this relationship  
When I'm hurting baby, I ain't happy baby  
Plus theres so many other things I gotta deal with  
I think that you should let it burn

When your feeling ain't the same and your body don't want to  
But you know gotta let it go cause the party ain't jumpin' like it used to  
Even though this might bruise you  
Let it burn  
Let it burn  
Gotta let it burn

Deep down you know it's best for yourself but you  
Hate the thought of her being with someone else  
But you know that it's over  
You know that it was through  
Let it burn  
Let it burn  
Gotta let it burn

Sendin' pages I ain't supposed to  
Got somebody here but I want you  
Cause the feeling ain't the same find myself  
Callin' her your name  
Ladies tell me do you understand?  
Now all my fellas do you feel my pain?  
It's the way I feel  
I know I made a mistake  
Now it's too late  
I know she ain't coming back  
What I gotta do now  
To get my shorty back  
Oh oh oh oh  
Man I don't know what I'm gonna do  
Without my boo  
You've been gone for too long  
It's been fifty-eleven days, um-teen hours  
I'mma be burnin' till you return (let it burn)

When your feeling ain't the same and your body don't want to

But you know gotta let it go cause the party ain't jumpin' like it used to  
Even though this might bruise you  
Let it burn (let it burn, let it burn, you gonna learn)  
Let it burn (gotta let it burn)  
Gotta let it burn

Deep down you know it's best for yourself but you  
Hate the thought of her being with someone else  
But you know that it's over  
you know that it was through  
Let it burn  
Let it burn  
Gotta let it burn

I'm twisted cause one side of me is tellin' me that I need to move on  
On the other side I wanna break down and cry (oh)  
I'm twisted cause one side of me is tellin' me that I need to move on  
On the other side I wanna break down and cry (yeah)

Ooh ooh ooh ooh ooh oh  
Ooh ooh oh (can ya feel me burnin'?)  
Ooh ooh ooh oh ooh oh

So many days, so many hours  
I'm still burnin' till you return

When your feeling ain't the same and your body don't want to  
But you know gotta let it go cause the party ain't jumpin' like it used to  
Even though this might bruise you  
Let it burn  
Let it burn  
Gotta let it burn

Deep down you know it's best for yourself but you  
Hate the thought of her being with someone else  
But you know that it's over  
You know that it was through  
Let it burn  
Let it burn  
Gotta let it burn
