Yeah let me holla at you real quick I'mma bring y'al back to the good ol' good ol days Ya feel me? Some of that... Good ol, good ol, good old ghetto, good ol Good ol, good ol ghetto Good ol, good ol ghetto, ghetto, ghetto Good ol...heh I told my man I'm having a barbecue So grab some folks and won't you slide right through He brought this shorty that I used to know It brought me back to when I was in school She said Usher where have you been? We used to kick it every now and then Remember when I used to call your phone Tell you come on cause my mother's gone How about them times I had to throw A rock at your window To let you know to come downstairs And open the door And after that baby it was on fa'sure Honey got my head spinnin' around for real Cause I'm thinking 'bout how good you used to feel And I got a girl now and I don't get down like this, huh But I must admit I'm tempted and startin' to reminisce, cause Ay yo, ay yo, ay yo Ain't nothing like some good ol' ghetto Ay yo, ay yo, ay yo Ain't nothing like some good ol' ghetto Ay yo, ay yo, ay yo Ain't nothing like some good ol' ghetto Ay yo, ay yo, ay yo Ain't nothing like some good ol' ghetto Now she's asking me to take her On a tour of my house so we can catch up For all the time lost since I blew up And became the man that drops his pants And every girl around the world is dying to love Break the beat down Let me tell you what I'm talking about If you're not carefull it'll turn you out It's that way she used to go When you want it nice and slow Even though you can't The memory will make you want some mo' She used to understand me Touch me, hold me, taught me how to be a man She used to kiss me all them things she used to show me Damn I wish that I could do it again

Honey got my head spinnin' around for real

Cause I'm thinking 'bout how good you used to feel

But I got a girl now and yo she's right upstairs
But I must admit I'm tempted and startin' to not care, cause...

Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto

Never had somebody that's as bad

Somebody with a whole lot of body

That'll choose, make you wanna leave the one you with

Cause you know how good it is

Not a prissy, lil' missy baby, talk that slang

I used to love how she kissed me when she popped that thang

She was a friend of the fam

Hot without the glam, not

When I be trippin'

She didn't really give a damn, stop

It's what I need to do

Cause I know what's this is leading to

If I keep on thinkin' bout that back

I'mma be right back in it cause yo

Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
Ay yo, ay yo, ay yo
Ain't nothing like some good ol' ghetto
