

## Here I Stand

Usher

I'm hopin that this ain't too hard to believe  
Cause baby you're the only one for me  
I know it get hard when im moving in and out of state  
But I promise my heart for you I would save  
Just remember that..

No matter how far I go  
And no matter how long it takes  
No one or nothing can change  
Forever yours here I stand (Here I stand baby)

You're like a mirror to my soul, but a queen (My queen)  
And finally now i know just what that means (Oh Yeah)  
You're the blessing I never thought I would get  
And to the Lord I humbly bow my head  
Just remember that..

No matter how far I go  
And no matter how long it takes  
No one or nothing can change  
Forever yours here I stand (Here I stand baby)

Every since you came (since you came along)  
It seems like (couldn't get it right)  
I fell and sunk so low, that there' was no way I could be found  
(never thought love would find me)  
And when we make love (Everytime you give, whoo, give to me you  
r love)  
Give..you make me feel a way I never felt no one else, and I ca  
n't help myself  
I'm tellin you that..

No matter how far I go (Yeah)  
And no matter how long it takes (Yeah)  
No one or nothing, nothin' babe can ever change, the way I feel,  
cause I'm yo man, Listen..see  
Forever yours, yours, all yours here I stand (Yeah)

No matter how far I go  
And no matter how long it takes  
No one or nothing can change  
Forever yours here I stand (Here I stand baby)

Forever yours..I am..here I stand
