

# His Mistakes

Usher

Do I remind you of the pain  
That he put you through, girl  
Is that the reason I'm to blame  
Before I do it:  
Is it because he, treated you so badly  
I always stand accused  
Protecting yourself, from somebody else  
I'm not who's hurting you, girl

And it's killing me girl knowing you compare me to him  
Always guilty before the sin  
I can't win, I can't win  
I'll do anything to prove I love you  
Baby girl would I refuse to  
Pay for something I didn't do  
I love you, girl  
But I refuse to stay  
Paying for his mistakes

He left a scar across your heart  
I understand, girl  
Don't let his wrongs tear us apart  
Cause girl I'm your man

Just because he did  
You swear I'm cheating  
You think I just don't care  
Why must I do time  
For another man's crime  
Girl you know that ain't fair

And it's killing me girl knowing you compare me to him  
Always guilty before the sin  
I can't win, I can't win  
I'll do anything to prove I love you  
Baby girl would I refuse to  
Pay for something I didn't do  
I love you, girl  
But I refuse to stay  
Paying for his mistakes

I know he did you wrong  
But tell me what does that have to do with me  
Trying to show you something real  
Figure out what is going on  
Before you look up and I'll be gone..  
I'll do anything to prove I love you  
Baby girl but I refuse  
To pay for something I didn't do, girl  
I love you, and I love you I love you

I'll do anything to prove I love you  
Baby girl but I refuse  
To pay for something I didn't do, girl  
I love you, girl  
But I refuse to stay  
Paying for his mistakes
