Let Me

Usher

Know ya, know ya...
Let me, let me
(Let me love ya)

It only happens once in a lifetime
I'ma need a bite of that perfect with you baby
You got me and I got you baby
(?) is mine and I won't lose if you chosin' baby
Baby you know that you more than just a friend to me
Don't let nobody convince you that we enemies
I was down for the count, I was down we was out
And I (?) woulda led to me
You'se my little secret
They don't know you freaky, with a chick like you I'm conceited
And when my mama f**k with you and my brother f**k with you, need the baby i
n the crib where we completed
You got money, I got money, no competin'
F gang but we always on some G shit
I'm on some OG with the D'usse, I'ma beat it
Beep-beep-beep-beep (?) beat it
(?) is the truth
Trust in me like I trust in you
f**k with me like I f**k with you
How am I real if I ain't real with you?

Let me love ya, me love ya, let me love ya
Let me be the one to, let me be the one to love you
Let me love ya
Love you babe
We weren't sayin' ohhhh
Love you, ohhhh, love you ohhhhh, love you ohhhh

You are the realist bitch out here, we all admit that you the shit
New BMW, new tint so dark the cops gotta squint
You drivin' out the city to make money that I'll never let you spend
There's something wrong, niggas will just never comprehend
We hit the strip together and we trip together
Hit the lick together, oh
Hit the (?) together, book the Ritz together
This is it forever, oh
Hit the (?) 1000 dollar outfit
Cause I gotta flex for my baby
We just swerved on these hoes
(?) on these hoes, I wanna know

(When you gon' love me you gon' love me baby)
Let me love ya, me love ya, let me love ya
Let me be the one to, let me be the one to love you
Let me love ya
(I need ya, let me save ya babe)
(You gotta know I ain't takin' over)
(I really love ya)
(Let me love you, I'm gonna love you)
(Who gon' treat you the best? Who gon' treat you the best?)
(Let me love you girl)

Ready

Told you I was ready
Said that I was ready for you
Ready
I'ma show you

(Never really mattered too much...)

Told you I was ready
Said that I was ready for you
Ready
I'ma show you

(Never really mattered too much...)
