

Monstar

Usher

Raymond vs Raymond
There's three sides to every story,
There's one side, there's the other
And then there's the truth.

Usher...

Captivating, perfection, innovator,
seductive, superstar, music, unparalleled,
sex, world renown, dance, tempo,
spotlight, passionate, terrible.
You... are.... what.... we... say.... you... are

Mon star

Black heart
Sound, sound, sound...
Everything that's on my mind I just.. I gotta let go
Allez vient on y vas
I hope you can handle it
Vient on y vas

Feel my heartbeat... Ah..
Mon-star
Yeah, close your eyes...
Hey, look what you made me do babe, say you know me,
tell you want all of me, and then you got the other side.
You got some nerve baby
Make it so bad
You so serious, wouldn't just have to fall
Don't you.. don't you tell me... tell me that things get to you without all
of that attitude
I feel like you might be the one... aight babe
You got me so excited baby

Girl if you lonely and you're longing
for a lover you know I'll be, I'll be here all night.
I'm right above you, you don't have to look no further
you know I'll be, I'll be here all night

Mon star.
(Celebrating time)
Tell me how deep you want me to go.
(I'm back celebrating tonight)
I'm gonna be your baby yeah..
I wanna be up in your bedroom, just all for one night
I'll be the magic player lover you like

Redefining roundly every time we lay, every time we go.
She said she wanna bring out the beast,
but she can't tame it, tame it. (Haha).
Won't let you pull something off.
B-b-bang I'mma shoot it like a convict.

Girl if you lonely and you're longing
for a lover you know I'll be, I'll be here all night.
I'm right above you, you don't have to look

no further you know I'll be, I'll be here all night

Mon star.

(Celebrating time)

Tell me how deep you want me to go.

(I'm back celebrating tonight)

I'm gonna be your baby yeah..

I wanna be up in your bedroom, just all for one night

I'll be the magic player lover you like

Mon star....

Je t' aime

Tu es mon star

Ca te plait?

Oui, vient avec moi, tu es mon star

Mon star.

(Celebrating time)

Tell me how deep you want me to go.

(I'm back celebrating tonight)

I'm gonna be your baby yeah..

I wanna be up in your bedroom, just all for one night

I'll be the magic player lover you like
