

# Pop Ya Collar

Usher

Hello everybody, huh  
Welcome today to the wonderful world of...you, he-heh  
Now check it, you have two options  
You can eat it or throw it away, heh

See its a shame when you're working on doing well  
People hate you yeah  
Buying nothing that's not the best for yourself  
Then they really hate you yeah  
You gotta live for you and no one else  
Don't let 'em make you feel  
Like you're not being real  
Just live how you wanna live  
You gotta do for you

(Dig that)  
If you work hard then play hard  
(Dig that)  
And do what you wanna do  
(Dig that)  
Just pop ya collar  
Don't let what people say bother you  
(Dig that)  
You perpetrators I got something to say  
(Dig that)  
You can eat it or throw it away  
(Picture that)  
You're just mad cause you're following in my trap  
But can you dig that?

Hey ladies Hey fellas  
You know you're doing good cause they jealous  
(Pop, pop)  
they hate cause you're a go-getter  
(Pop, pop)  
Pop ya colla, don't let 'em sweat you  
(Pop)  
(2x)

You can see me every week  
Hanging out with a different girl sitting next to me  
Cause I'm not up to settle down right now  
I gotta be free  
Some of y'all fellas might be jealous  
But y'all know that don't phase me  
I just pop my collar, tip my hat  
Turn my back on the ones that hated me

(Dig that)  
Never going home alone  
(Dig that)  
If she follows then you know it's on  
(Dig that)  
She gets the pager not the cellular phone  
(Never that)  
I let her know I won't be around for long  
(Dig that)

To all you haters I got something to say  
(What's that?)  
You can eat it or throw it away  
(Picture that)  
Stop hating, wishing, waiting  
Anticipating for my year to fade, oh yea

Hey ladies Hey fellas  
You know you're doing good cause they jealous  
(Pop, pop)  
they hate cause you're a go-getter  
(Pop, pop)  
Pop ya colla, don't let 'em sweat you  
(Pop)  
(2x)

I break my neck for the things I get  
So much sweat just so I can get that check  
And I'm not gonna let nobody bring me down  
Nobody's gonna steal my groove  
Because I eat good, I live good  
I rock good, my life's good  
If you got a lot and you're working for it  
Pop ya collar don't be afraid to show it

Hey ladies Hey fellas  
You know you're doing good cause they jealous  
(Pop, pop)  
they hate cause you're a go-getter  
(Pop, pop)  
Pop ya colla, don't let 'em sweat you  
(Pop)  
(4x)
