Oh!
Oh ho!
(Mmm you gonna want me back)
(The last words she said to me now I'm wishing she was still here wit me)
(You know your gonna need me)
And now that day's here, ya man gotta shed tears.
(Mmm you gonna want me back)

You never miss a good thing till it leaves ya
Finally I realized that I need ya
I want ya back
Baby girl I need ya back
Gotta have ya back, babe
Heartbroken when you left my world
Man I wish I woulda kept my girl
I love you
I don't know what I'm gon do without my baby

It's driving me crazy (It's driving me crazy)
'Cause I'm missing my baby (Missing my baby)
I'm goin' out of my mind and I'm runnin' out of time
Oh I just wish I could find you, girl
Said I'm about to go crazy (About to go crazy)
'Cause I been needin' you lately (Needing you lately)
I'm goin' outta my head and all the things that I said
I wish that I never said them now

Aww baby
What you say now?
(Your gonna want me back)
And still I want you, want you, want you, want you, want you
Need ya babe

If I could rewind the time
And get inside ya mind
I would take back all my words
I didn't see it, I couldn't see what I was doin' babe
See baby girl I was blind
And I wish that I could try
To be the man that you deserve
Give me one chance to make it work

It's driving me crazy (It's driving me crazy)
'Cause I'm missing my baby (Missing my baby)
I'm goin' outta my mind and I'm runnin' outta time
Oh I wish I could find you girl
Said I'm about to go crazy (About to go crazy)
'Cause I been needin' you lately (Needing you lately)
I'm goin' outta my head and all the things that I said
I wish that I never said them now

(Mmm you gonna want me back)
Wish I could throw it back
I want it the way it use to be
(Your gonna need me)
(Mmm your gonna want me back)

Give me one chance to make it work!

It's driving me crazy (It's driving me crazy)
'Cause I'm missing my baby (Missing my baby)
I'm goin' outta my mind and I'm runnin' outta time
Oh I wish I could find you girl
Said I'm about to go crazy (About to go crazy)
'Cause I been needin' you lately (Needing you lately)
The love of my life but I wasn't loving you right baby

It's driving me crazy (It's driving me crazy)
'Cause I'm missing my baby (Missing my baby)
I'm goin' outta my mind and I'm runnin' outta time
Oh I wish I could find you girl
So I'm about to go crazy (About to go crazy)
'Cause I been needin' you lately (Needing you lately)
I'm goin' outta my head and all the things that I said
I wish that I never said them now

(Mmm your gonna want me back)
It's the last words she said to me
Now I'm wishing she was still here wit me
(Your gonna need me, need me one day)
And that day's here
(Mmm your gonna want me back)
And ya man gotta shed tears
I'm sittin' by the phone
Realizing she ain't ever coming home.....
