

TworK It Out

Usher

Yo, check this here
There's nothing that I'd rather do then spend this time with U.
So why don't we just chill and make a cold cold sexy.
U know
U sure lookin' right
Spend some quality time
U make me want cha, cha, cha, ah, cha, cha.....
Yeah right there, just keep it right there
And I know you're gonna like it
Ooh baby, U sure love to....
Know what I'm sayin'
Nah, nah, nah, nah, nah

We been hang out every day this week
How 'bout a n....fix U something to eat
And just chill
We ain't gotta wild out just chill
Parlay little momma right here
Sippin' on chardonnay
Slip on that Vicki Secret lingerie
'Cause I ain't tryin' to throw my money away (in the streets)
If I can see U work it out for me

Workin' it out
Laying in the cut
Kissing rubbing and making sweet love
Dame the club tonight
Let's work it out
It'll be just me on U from 11 to 6 in the morning
I know U like it when I do U like that
Let's work it out

Now that I got U all soakin' wet
I bet U know what's comin' next
I'm gonna work U out
Aw baby let me tell U how
What U think about me
Workin' U from your front to your backend
Kick back in relax come sit up on my lap shorty
Tonight I'm takin' U all the way
Won't stop till U scream my name

Workin' it out
Laying in the cut
Kissing rubbing and making sweet love
Dame the club tonight
Let's work it out
It'll be just me on U from 11 to 6 in the morning
I know U like it when I do U like that
Let's work it out
(2x)

Morning is coming and I don't want to let U go
Let's just lay here in this bed of red rose petals
I know that we're spent but
One kiss can make this start all over again
If U want it baby come with me

It's way too treal
The way U making me feel
The way you're tworkin' is oh so sexy
Ooh baby U sure love to ball
It's way too treal
The way you're tworkin' is oh so sexy
Ooh baby U sure love to ball

Tworkin' it out
Laying in the cut
Kissing rubbing and making sweet love
Dame the club tonight
Lets twork it out
It'll be just me on U from 11 to 6 in the morning
I know U like it when I do U like that
Let's tork it out
