U Got It Bad

Oh, no, no, no, no, no...

When you feel it in your body You found somebody who makes you change your ways Like hanging with your crew Said you act like you're ready But you don't really know And everything in your past - you wanna let it go

I've been there, done it, fucked around After all that - this is what I found Nobody wants to be alone If you're touched by the words in this song Then baby...

U got, u got it bad When you're on the phone Hang up and you call right back U got, u got it bad If you miss a day without your friend Your whole life's off track You know you got it bad when you're stuck in the house You don't wanna have fun It's all you think about U got it bad when you're out with someone But you keep on thinkin' bout somebody else U got it bad

When you say that you love 'em And you really know Everything that used to matter, don't matter no more Like my money, all my cars (You can have it all back) Flowers, cards and candy (I do it just cause I'm...) Said I'm fortunate to have you girl I want you to know I really adore you All my people who know what's going on Look at your mate, help me sing my song Tell her I'm your man, you're my girl I'm gonna tell it to the whole wide world Ladies say I'm your girl, you're my man Promise to love you the best I can

See I've been there, done it, fucked around After all that - this is what I found Everyone of y'all are just like me It's too bad that you can't see That you got it bad...hey

U got, u got it bad When you're on the phone Hang up and you call right back U got, u got it bad If you miss a day without your friend Your whole life's off track
