

# Whispers

Usher

If I could I'd tell you (I would tell you how)  
I feel girl, when I'm close to you  
At times I'd wish that my (heart could tell you how)  
Much I love you, but my heart speaks in whispers...

If my heart could speak you'd know  
Girl if my heart could speak you'd know  
That I love you so (and I'll never let you go  
oh-no)

If you can feel what I felt (just now, kiss me)  
To prove that your love for me is true  
Two hearts that beat as one, send signals  
To each other in whispers...

I would tell you how I felt, if i could find the words  
To describe (the way I feel when you are near)  
Whenever you are by my side  
What I feel inside is deep and I just don't know  
What to say (because my words get in the way)  
Everytime I try to say (I love you) what I feel  
Deep inside
