You make me wanna leave the one I'm with (oh baby)
Start a new relationship with you
This is what you do
Think about her and all the things that come along with
You make me
You make me

At this point
The situation's out of control
I never meant to hurt her but I
Gotta let her go
And if she may not understand it
Why all of this is going on
I tried
I tried to fight it but the feelings just too strong

You make me wanna wanna You make me wanna

You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about her and all the things that come along with
You make me
You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about her and all the things that come along with
You make me
You make me
