

# On And On

Utada

(On & On) (4x)

I just want to dance the night, the night, away  
Go ahead and make my day, Mr. DJ  
(make the night go on and on, make the night go on and on)

[Chorus:]

Honeys, if you're gay, burn it up, like a gay parade  
Honeys, if you're straight, bump it up, take it all away  
Intoxicated, emancipated, unapologetic's what I am today  
Light me up

[Refrain:]

Make the night go on & on & on  
You know we go on & on & on  
Make the night go on & on & on  
I'm livin' up my life until the day I die  
The little love bug

Ee oh ee oh (on & on & on) (4x)

Music got me sweating hard  
I feel my heart bumping like an 808  
Uh huh, okay

Make the night go on and on  
If you want to mess with us  
Make the night go on and on  
You can play the game with us

[Chorus]

[Refrain]

Intoxicated, emancipated, unapologetic  
On & on, on & on & on  
Intoxicated, emancipated, unapologetic is what I am today  
Light me up
