Burn burn burn

Burn burn burn Burn burn burn Burn burn burn Burn burn burn I'm cookin' up somethin' Cookin' up somethin' Cookin' up somethin' special for you It's on the back burner On the back burner On the back burner waiting for you I'm no burger king, I'm no pizza pie spinner Don't come sniffin' 'round here for something to eat It's a gourmet thing, not a tv dinner So stay out of the kitchen if you can't take the heat It's gonna Burn burn - you might get burned Burn burn - 'cause it's so hot

Burn burn - that you might get burned

I've got a hot number

Got a hot number

Got a hot number bearing your name

It's such a big order

Such a big order

Such a big order turn up the flame

It's a champagne kiss with a surprise in the middle

I hope you're hungry, I've been cookin' all day

Got a love so strong you couldn't squish it with a griddle

Call out the volunteers 'cause my heart's a flambe'

I gotta time it right so it's warm when you get it Turn up the heat just a little bit higher It was a good idea but I think I overdid it I can't reach the oven and the kitchen's on fire
