

# Beautiful Girl

V Factory

It's just another rainy day  
Somehow I feel a different way  
You caught me by surprise  
It's hard for me to believe  
That it's coming over me  
It's in every word you say  
Now I'm running to forever  
Wonder where the story goes  
Cause only you can make me better  
This I know

You are the air that I breathe  
You are my soul when I'm in need  
You are the one that I see  
Visions of you in my dreams  
Won't let you leave, not time to go  
Wherever I am I will know  
I will love you, I will love you  
My beautiful girl

Every time I look into your eyes  
See the wonder of your pretty smile  
Captures me in every way  
Wanna hold you til the morning light  
Keep you safe through the night  
Whisper all I wanna say  
Now I'm running to forever  
Wonder where the story goes  
Cause only you can make me better  
This I know

You are the air that I breathe  
You are my soul when I'm in need  
You are the one that I see  
Visions of you in my dreams  
Won't let you leave, not time to go  
Wherever I am I will know  
I will love you, I will love you  
My beautiful girl

Now I'm running to forever  
Wonder where the story goes  
Cause only you can make me better  
This I know

You are the air that I breathe  
You are the one that I see  
Visions of you in my dreams  
Won't let you leave, not time to go  
Wherever I am I will know  
I will love you, I will love you  
My beautiful girl
