

Worship You

Vampire Weekend

Only in the way you want it
Only on the day you want it
Only with the one stand and every single day you want it
Only in the way you want it
Only on the day you want it
Only with the one stand and every single day you want it
You, you

City with the weight upon it
City in the way you want it
City with the safety of a never-ending place on it
City with the weight upon it
City in the way you want it
City with the safety of a never-ending place on it
You, you

We worshipped you,
Your red white hand
Won't we see once again
In foreign in soil, in foreign land,
Who will guide us through the end?

Calling on the treasure wanna call me on the semi
Wanna call in for the wizard who always speak spam
Calling on the treasure wanna call me on the semi
Wanna call in for the wizard who always speak spam
You, you

Any chance of peace you want any kind of place
You want to live a bit of live to get suited finer days
Any chance of peace you want any kind of place
You want to live a bit of live to get suited finer days
You, you

We worshipped you,
Your red white hand
Won't we see once again
In foreign in soil, in foreign land,
Who will guide us through the end?
