Far away in time, in a lonely kingdom, lived an ancient cast who kept a

dark.

Treasure. Cenderus attends the kingdom gates, but some day he f ailed and the

curse escaped. Beware, they are free now. Beware, they are walk ing by your

side. Under the spell of "He", the prince Nosferatu, they've go t immortal

life a gift that is a curse, this curse was called... Vampiria. Master of the night, slaves of blood, condemned to live, from d usk'till

dawn. Eternal existence, with a price paid in blood, far away f rom death,

but walking beside she. Beware they're free now. Beware... you're the chosen

one.

Master, you promise me eternal life. I'm waiting... For you!.
