I heard the news baby
All about your disease
Yeah, you may have all you want baby
But I got somethin' you need, oh yeah

Ain't talkin' 'bout love
My love is rotten to the core
Ain't talkin' 'bout love
Just like I told you before, yeah before

You know you're semi-good lookin' And on the streets again Oh yeah, you think you're really cookin' baby You better find yourself a friend, my friend

Ain't talkin' 'bout love My love is rotten to the core Ain't gonna talk about love Just like I told you before, before Before, before, before

Ain't talkin' 'bout love Babe, it's rotten to the core Ain't talkin' bout love Just like I told you before, before

I been to the edge
And there I stood and looked down
You know I lost a lot of friends there baby
I got no time to mess around

So if you want it, got to bleed for it baby Yeah, got to, got to bleed, baby You got to, got to bleed, baby Hey, got to, got to bleed baby

Ain't talkin' 'bout love
My love is rotten to the core
Ain't talkin' 'bout love
Just like I told you before, before, before

Ain't talkin' 'bout love Don't wanna talk about love Don't need to talk about love Ain't gonna talk about love No more, no more

Hey, hey, hey Hey, hey, hey Hey, hey, hey
