

Bottoms Up!

Van Halen

I been sittin' here 'bout half the night
Oh momma fill my cup up
said, I came here to waste some time
I think I'm gonna' jump up

I'm singin', I'm dancin', most every night
I want to do that with you babe
Let's do this bottle right

Oh, oh, baby
Bottoms Up!

Pretty maids all in a row
Go on and set 'em up, ah
Come ma, ma, ma, ma, 'mon baby
Bottoms Up!

I'm singin', I'm dancin', most every night
I want to do that with you babe
Let's do this bottle right

Come on ma, ma, ma, 'mon, baby, bottoms up
Come on ma, ma, ma, 'mon, baby, bottoms up
Come on ma, ma, ma, 'mon, baby, bottoms up
Ma, ma, ma
Come on ma, ma, ma, 'mon, baby, bottoms up
