Van Halen

**A** **F**  
World turns black and white  
**G** **A**  
Pictures in an empty room  
**F** **G**  
Your love starts fallin' down  
**A**  
Better change your tune  
**F** **G**  
Yeah, you reach for the golden ring  
**A**  
Reach for the sky  
**F** **G**  
Baby, just spread your wings

**C** **A**  
We'll get higher and higher  
**Emi** **F**  
Straight up we'll climb  
**C** **A**  
We'll get higher and higher  
**F** **G**  
Leave it all behind

Run, run, run away  
Like a train runnin' off the track  
Got the truth bein' left behind  
Falls between the cracks  
Standin' on broken dreams  
Never losin' sight, ah  
Well just spread your wings

We'll get higher and higher  
Straight up we'll climb  
We'll get higher and higher  
Leave it all behind

**Emi** **F**  
So baby dry your eyes  
**A** **G**  
Save all the tears you've cried  
**F** **A** **G**  
Oh, that's what dreams are made of  
**Emi** **F** **A** **G**  
'Cause we belong in a world that must be strong  
**F** **A** **G**  
Oh, that's what dreams are made of

(solo)

Yeah, we'll get higher and higher  
Straight up we'll climb  
Higher and higher  
Leave it all behind  
Oh, we'll get higher and higher  
Who knows what we'll find?

So baby dry your eyes  
Save all the tears you've cried  
Oh, that's what dreams are made of  
Oh baby, we belong in a world that must be strong  
Oh, that's what dreams are made of

(solo)

**Emi F A G**  
And in the end our dreams we will depend  
**F A B**  
'Cause that's what love is made of
