

# Feels So Good

Van Halen

Oh, here we go! Yeah yeah

Yesterday, I saw my love light shine  
Straight ahead in front of me  
You never really know  
When love'll come or go  
But yesterday I was alone  
Suddenly I walked you home  
I never really knew  
What love could make me do

I'll send the message in a bottle (I'll send the message)  
N' trust in the mercy of the sea (Oooh ooh ooh)  
Stormy weather (Oooh ooh ooh) Oh yeah (Oooh ooh ooh)  
Waitin' for love to set me free

Everyday I watch the tide roll in  
Stay until it rolls away  
Though nothin's on the shore  
I'm runnin' back for more

I'll send the message in a bottle (I'll send the message)  
N' pray for the mercy of the sea (Oooh ooh ooh)  
Stromy weather (Oooh ooh ooh) Oh yeah (Oooh ooh ooh)  
Waitin' for love to rescue me

Hey, Feels so good (So good) Woo!  
And it feels so nice (So nice)  
When love comes around  
I feel good (So good) So good, so good  
An' it feels so nice (So nice) Woo!  
Ow! Feels so good

Yeah, feels so good, woo! (So good)  
And it feels so nice (Sonic)  
When love comes around  
I feel good (So good)  
Hey, Gonna make her feel nice (So nice)  
When love comes around  
I feel good, woo! (So good)  
So good, so good, so good (So nice)  
Now come on baby, make me feel good

Get up, get up, get up, get up (So nice)  
Uh! Hey baby, I feel good (So good)
