

So High

Van She

Son why don't you come down
You're so high, you're so high
You're gonna

Son why don't you come down
Its alright, Its alright
she said

Son why don't you come down
You're so high, you're so high

Woah
Son why don't you come down
You're so high, you're so high
You're gonna

Son why don't you come down
Its alright, Its alright
she said

Son why don't you come down
You're so high, you're so high
You're gonna

Son why don't you come down
Its alright, Its alright

Can you see its much better
It's been so long
Can you believe It's much better
You've been so alone

Can you see its much better
It's been so long
Can you believe It's much better
You've been so alone

Son why don't you come down
You're so high, you're so high
You're gonna

Son why don't you come down
Its alright, Its alright
Woah

Can you see its much better
It's been so long
Can you believe It's much better
You've been so alone

Can you see its much better
It's been so long
Can you believe It's much better
You've been so alone
