

Fool In The Rain

Vanilla Fudge

Their's a light in your eyes
That keeps shining like the star
That flu away in the night
I had to think that I was blinded
Why can't I see you tonight
When you walk and your smile
Makes me start grow0ing
And the feel of your touch
Gives me excitement
She got me shaking so much
You got me yearning
Why don't you show me
We can make it alright
Feeling alright its alright
You promised your love
Would be so complete
You says you would always be true
You sworn that you would never leave me
Lately what has happened to you
I thought it was only harmless
You wish that your dreams
Would only come true
It isn't the first time someone
Would leave me lately
And leave me standing here feeling blue
And you don't feel my blues
Oh my El Camino
Don't you see me standing in the rain
At...
