

## Lord in the Country

Vanilla Fudge

Deep in the backwoods  
I went walking one day  
No one to guide me  
And I lost my way  
There through the trees  
In the valley below  
Beautiful voices were singing  
And it did my heart so:

I found the Lord!  
I found the Lord!  
(repeat)

It's a happy day!  
I found Jesus Christ!  
He was a comin' for me!  
I found the Lord!

I found the Lord in the country  
I found the Lord in the country  
I knew he was comin'  
To show me the way  
I knew he was comin'  
Before judgement day  
And Lord now I listen  
To what the Good Book says  
Lord now I know why I'm living  
It's the first page I've read.

I found the Lord  
I'm so glad  
I found Jesus  
I have Jesus  
I can hear him comin'  
Let me tell you now  
I found the Lord in the country
