

## Raise Your Horns

Vanir

"Raise your horns for Odin,  
Raise your horns and fight!"  
Hey!

Night it glooms, the keg is full  
The meat is ripe, we are here to celebrate  
Druken men and beautiful maidens  
All gather round, we are here to celebrate

Raise your horns for Odin,  
Raise your horns and fight!

The bravest of warriors, the strongest of men  
All stand united, raise your horns and fight  
All gather round, ready to fight  
Are you ready?  
Raise your horns and fight

Raise your horns for Odin,  
Raise your horns and fight!

Raise your horns,  
Praise your gods!  
Raise your horns,  
Drink my brothers!  
Raise your horns,  
Raise your horns!  
Raise your horns,  
Stand up and fight!

Raise your horns for Odin,  
Raise your horns and fight!  
Raise your horns for Odin,  
Raise your horns and fight!  
Hey!
