

## Black Swamp

Varathron

Dark waters, black swamp

Centuries ago  
In sacred east  
Two rival clans  
Were engaged in a bloody war!  
Far beyond the battlefield,  
In the castle of the Okada clan  
Was the scene of some strange events.

Time went by and winter came  
Abandoned by everyone,  
Lady orin wandered  
Alone by the shores of the lake

Dark waters, black swamp

She discovered the power of the lake,  
She was at my mercy,  
A prisoner of my lake,  
But the night,  
Destroy my eternity!  
That's what she tried to do!  
She knows that the lake water  
is holy because her soul  
is imprisoned in it!

This desperate act is unforgivable  
In the eyes of the gods  
And you will never be reborn  
To a new life  
Accursed to eternity  
You will be condemned to roam  
between life and ... death!

Dark waters, black swamp

This life or spirit grants me  
Forbidden sights of ghastly dimensions  
you got condemned ypurself,  
To roam among lost souls  
The gods made me guardian  
Of the sacred water!  
I have the power to cross  
The frontiers of the invisible.
