

Leprocious Lord

Varathron

Enter into ghastly and dismay paths!
Were forbidden dimensions deprecate past and future
Demons wrath gives you pleasure
Desire for every sordid existence cryptic macrocosm declared

Your mystical unholy existence
Where every animate entity worships you
Where blasphemy is the amatory
Echo of your name!
Echo of your name!

Leprocious lord
The pest unfold
Leprocious lord
Domiciled in nether world

Leprocious lord
The pest unfold
Leprocious lord
Domiciled in nether world

Down there we shall extol
Your supernal and sullen visage
Down there we shall immolate
Our damned souls!

Leprocious lord
The pest unfold
Leprocious lord
Domiciled in nether world

Leprocious lord
The pest unfold
Leprocious lord
Domiciled in nether world

Beaver of occult
And forgotten apocryphal desires!
Oh! Leprocious lord!
Drifting into distorted realms
