

Looking For Love

Varsity Fanclub

She's looking for love in the club
She's looking for love in the club
She's looking for love in the club

[Verse 1]

Let me tell you bout this girl I met
She was looking nice so we all made bets
Hey fellaz I'm a go get her
It'll be me going home with her
In a rush so I gave her my number
Rollin 28s in an all white
Hummer I can see what I want (oohhhh)

[Pre Hook]

Her But she don't even care
I just wanna run my fingers thru her long blonde hair
And look into her eyes
If you just give me a try
I'm a be that guy
I'm a be that guy

[Hook]

She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club

[Verse 2]

Sitting at a table while everyone's dancing
VIP girl but she won't stop glancing
Hey lady can I get witcha
Over here lemme take yo picture
Now I'm spitting game like I'm playing scrabble
Talking bout me don't you know word travels
I can see that you want (ooohh)

[Pre Hook 2]

Me I'll show that I care
If you let me run my fingers
Through your long blonde hair
I'll look into your eyes
Baby don't waste no time
I'm a be that guy I can be that guy

[Hook]

She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club

[Bridge]

I been telling you how much I been feeling you
Everything I say to you's true

But you won't believe it
If you let it be
Baby girl trust in me
You'll see...

[Hook (2x)]

She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
She's looking for love in the club
