

## Next Life

Varsity Fanclub

[Verse 1:]

Outside the air is cold as winter, begins and fall, they say th  
at you are gone  
And my mind holds you here, but it's hard to [? ] your sounds p  
roves that your nowhere near  
It's said it must be strong...

[Chorus:]

But I, can't find the need to take a vow, that you, are gonna l  
ove that other life  
My life, should'nthave ever faced my death, than to go on witho  
ut you  
I cry cause I can't find the strength to start, but I try, but  
only to my needs of joy  
Flatline I wish my heart could just shut off  
Cause I can't go on alone without you

[Verse 2:]

As I say my prayers in bed, I wonder if they'll reach you, or a  
m I just calling out in vein  
For everything that has a say, I'm thinking how could this be f  
air, wonder will I see you there, cause I

[Chorus:]

But I, can't find the need to take a vow, that you, are gonna l  
ove that other life  
My life, should'nthave ever faced my death, than to go on witho  
ut you  
I cry cause I can't find the strength to start, but I try, but  
only to my needs of joy  
Flatline I wish my heart could just shut off  
Cause I can't go on alone without you

[Bridge:]

Maybe I'll meet you in my next life, if that's ok with you  
Maybe I'll see you through my shining light, until then I'll be  
blue, yeah yeah...

[Chorus: x2]

But I, can't find the need to take a vow, that you, are gonna l  
ove that other life  
My life, should'nthave ever faced my death, than to go on witho  
ut you  
I cry cause I can't find the strength to start, but I try, but  
only to my needs of joy  
Flatline I wish my heart could just shut off  
Cause I can't go on alone without you
