

# My TV and You

VAST

My TV and you  
It's the only place to be  
Nothing else to do  
Nothing else to see  
A room without a view  
Has so much for me and you  
I was born to stare  
At stars on ceiling walls

It's all I need  
It's all I ever needed  
Until the world is gone

Take me how I am  
'cause you know I'll never change  
I was born to stare  
At who stares back at me

If I make it up  
To that big show in the sky  
All I really want  
Is my TV and you

It's all I need  
It's all I ever needed  
Until the world is gone  
Da, da, da:

It's all I need  
It's all I ever needed  
My love for life is gone

It's all I need  
It's all I ever needed  
My love for life is gone
