Vaughan Penn

There's a reason for the situation It's amazing, the shocking revelation Love is crazy, it's got me upside down It's got me upside down Well life hits you and love gets you You just gotta go with the flow Everything is almost perfect here The reason is coming crystal clear I think I really dig this atmosphere It's almost perfect here If you give in, don't let it freak you out 'Cause you're the one thing I've got this thing about It's this emotion it's got me inside out It's got me inside out Well life hits you and love gets you You just gotta go with the flow Everything is almost perfect here The reason is coming crystal clear I think I really dig this atmosphere It's almost perfect here It's almost perfect here
