

I Can't Help Myself

Vaughan Penn

I looked in my closet, I looked in my drawer
Lookin' for favorite jeans, lookin' for my favorite jeans
You were gonna take me out, where we used to go
Every Friday night around the corner I used to meet you
How I wish we were right there, right now

I know what's wrong, I know what's right
But I know how I feel tonight
And, I can't help, I can't help myself
I realize just what I miss every time I feel like this
Cause you and me need to be together
I can't help myself

You were wild and I was too
Cause I was really into you
You were really into me
We used to get real high on each other
When we'd go flying in your car
I swear we'd chase the moon down
'Til the sun came up

Cause I was really into you
I can't help, I can't help
I can't help myself
Lookin' for my favorite jeans

Cause I was really into you
