The Miracle of You

Covered up my eyes so I could see you  
Covered up my ears so I could hear you  
You tied up my hands so I could be free  
Free to be close to you  
Gently, gently like the sand  
Slipping quickly out of hand  
Where is the rock?  
Where is the rock?

Now I know it's true.

Cause I'm still here, I'm living proof  
Now I know, what saved my soul  
It's the miracle of you  
It's the miracle of you  
It's the miracle  
Backed up my heart against this wall of doubt  
Picked up my feet so I could fall flat out

Down on my face, down on my knees  
I'm begging you (I'm begging you)  
I'm begging you please.  
Hold me tightly by my heart.  
In the shelter of your arms.  
I'm standing on the rock.  
Standing on the rock.

Signs, signs all around me.  
Why could I not see them  
Signs, signs  
Well I thank God, now I can believe them.  
Walked down this long dark road  
To find my truth.  
Why did I carry such a heavy load  
When I could give it all to you.  
Well thank you for the promises you've made to me.  
And all the love that came from you.
