

You Are

Vaughan Penn

You Are
You are my joy
You are my life
You are my inspiration
That's what you are
You are my true friend
You free my will again and again
You turn my world around and you move me
Move me, move me while I'm standing still

Chorus:

You are in me
And I know that, I am in you
And I know that, everywhere I go you are there with me
Everything I do that's a prayer for me
Cause you are there
You are

You are my feet
You carry me along
With you I am complete
This is where, this is where
I know that I belong

(Chorus)

You are in me
I am in you
You are everywhere I am
Everywhere I go you are there with me
Everything I do that's a prayer for me
Cause you are there
You are there
You are my joy
You are my life
You are
You are..
