Loss Of Humanity

Vedonist

Sacrifice in the name of peace and justice Forgiveness at the war with depravity Altruism is response to hate and envy Martyrdom by the choice...
Nonsense

This is just a desire, vision of your sick mind No-one feels it anymore
Loss of humanity

Jealousy in the name of pride and meanness Loneliness at the war with reality Ruthlessness in response to sneer and insult Deception by the choice... Our live

Degradation of human race, morality means nothing now Profanation of the old values, humanity is an empty word

Springs of inspiration die, with ethical handicap No funeral Illusory happiness captured without any rules No scruples

Insolence in the name of lust and contempt Apathy at the war with bestiality Cruelty in response to death and evil Atheism by the choice... Future

Never-ending battlefield, Abyss, where your soul hurts Even you can't run away Loss of humanity

The last hope is distortion, process, which we all feel It is worthless existence End of humanity
