

## Still In Love

Venke Knutson

Hey, how are you  
Are you alright  
Is it alright to be left alone  
And hey, is it true  
Are you hoping  
Are you coping with my biggest fear

So tell my how  
Did you move on so fast  
Did I leave no trace  
Did you move on so fast  
Just an empty place

Aaa, I'm still in love with you  
And aaa, I still belong with you  
And aaa, you cast a spell  
You pushed, I fell

Maybe, it was me  
I was ok  
We were ok in our own sweet way  
Or maybe you didn't see  
What you wanted  
What you needed not to go away.

So tell me how  
Did you move on so fast  
Did I leave no trace  
Did you move on so fast  
Just an empty place

'Cause aaa, I'm still in love with you  
And aaa, I still belong with you  
Aaa, you cast a spell  
You pushed, I fell

Into your arms of love  
Into your arms of love

And aaa, I'm still in love with you  
And aaa, I still belong with you  
Aaa, you cast a spell  
You pushed, I fell.
