

# Walk The Walk

Venke Knutson

Walk the walk  
Talk the walk  
Be somebody you would like to be  
Play a part  
Hide your heart  
Oh, you'd be surprised how good it feels

Dress for success  
Not anything less  
That's the way to go if you wanna impress  
Always thought rules  
Were for babies and fools  
Don't you wanna think outside the box  
Outside the box

Oooh, oh, oh, oh  
Thinking about it lately  
Thinking about it lately  
Speaking your mind is so overrated  
Get into character it's so much better  
Oooh, oh, oh, oh  
Thinking about it lately  
Speaking your mind is so overrated  
Get into character it's so much better

So much better  
Change your name  
Such a fun game  
When it gets old you change it again  
Don't show a bad hand  
You gotta understand  
You can take it home if you play it like a man

Dress for success  
Not anything less  
That's the way to go if you wanna impress  
Always thought rules  
Were for babies and fools  
Don't you wanna think outside the box  
Outside the box

Oooh, oh, oh, oh  
Thinking about it lately  
Thinking about it lately  
Speaking your mind is so overrated  
Get into character it's so much better  
Oooh, oh, oh, oh  
Thinking about it lately  
Speaking your mind is so overrated  
Get into character it's so much better

So much better  
So much better  
Ooh, hey

Oooh, oh, oh, oh  
Thinking about it lately

Thinking about it lately  
Speaking your mind is so overrated  
Get into character it's so much better  
Oooh, oh, oh, oh  
Thinking about it lately  
Speaking your mind is so overrated  
Get into character it's so much better.
