

## Wishing (Will Make It So)

Vera Lynn

Wishing will make it so  
just keep on wishing and care will go  
Dreamers tell us dreams come true  
It's no mistake  
Wishing are the dreams we dream when we're awake  
The curtain of night will pass  
If you are certain within your heart  
So if you wish long enough wish strong enough  
You will come to know  
Wishing will make it so

Just imagine that you are  
Back in childhood days  
Wishing on the evening star  
For a load of hay  
It worked wonders for you then  
Who knows why or how  
Though your older try again  
It can help you now

Wishing will make it so  
just keep on wishing and care will go  
Dreamers tell us dreams come true  
It's no mistake  
Wishing are the dreams we dream when we're awake  
The curtain of night will pass  
If you are certain within your heart  
So if you wish long enough wish strong enough  
You will come to know  
Wishing will make it so
