

Toe to Toe with the Devil

Vern Gosdin

Oh the river of temptation is flowing deep and wide
Reaching out to pull you in
And old Satan is out to get you and he won't be satisfied
Till you're over your head in sin

You've got to stand toe to toe with the devil
You can't walk hand in hand with disgrace
You got to fight him everyday get down on your knees and pray
If you want to meet your Maker face to face

Let the bible fight your battles and as sure as you're born
You'll find a way to hold your ground
With God Almighty welcome take the devil by the horn
It's the only way to bring him down

You've got to stand toe to toe with the devil
You can't walk hand in hand with disgrace
You got to fight him everyday get down on your knees and pray
If you want to meet your Maker face to face

You've got to stand toe to toe with the devil
You can't walk hand in hand with disgrace
You got to fight him everyday get down on your knees and pray
If you want to meet your Maker face to face
