

## Would These Arms Be in Your Way

Vern Gosdin

Would you like to hear  
I love you all the time  
And if you couldn't turn around  
Without touching would you mind?  
You know there's something missing  
'Round your waist  
Tell me  
Would these arms be in your way?  
Would you mind another heart  
Beating for you  
Two ears that listen  
You can talk to.

Kisses filled with feeling  
On your face  
Now tell me  
Would these arms be in your way?  
Would you mind another heart  
Beating for you  
Two ears that listen  
You can talk to.  
Kisses filled with feeling  
On your face  
Now tell me  
Would these arms be in your way?  
Now tell me  
Would these arms be in your way?...
