Veruca Salt

Yeah, yeah (haha)  
That's a song by a six-year-old  
A six-year-old friend of mine  
Yeah, let's do that again, ready?  
(haha) Ready?  
M.C. Hammer stinks,  
he stole my girl away  
She stole my heart away,  
M.C. Hammer stinks  
Stacey please come back to me,  
I need your love, you know I do  
M.C. I've got a message for ya,
