Neon Wilderness

The Verve

In a neon wilderness
He was restless
Escape loneliness
Find a new address

Stood before I sink
In a neon wilderness
Spill my last drink
Yeah, he was restless
Say good-bye to my new friends
Escape from loneliness
I found a new address
In the last room
I hear a boom
Someone else's distress
In a neon wilderness
Someone else's distress
In a neon wilderness
And I hear a boom

In a neon wilderness
He was restless
Escape loneliness
For a new address

In a neon wilderness
He was restless
Escape loneliness
For a new address
