I just can't make it alone oh, no, no (2x)

there'll be no lullabies

there'll be no tears cried

we feel numb 'cause we don't see

That if we really care

and we really love

think of all the joy we'd feel

Oh, can you just tell me it's all right (it's all right)

let me sleep tonight

Oh, can you comfort me tonight (it's all right)

make it all seem fine

I just can't make it alone oh, no, no (tonight) (4x)
