

## Three Steps

The Verve

It's all right, all right  
We're going through changes  
Sometimes in life  
You feel yourself rearranging  
That's just the way it goes now  
Come on, come on, come on, come on ...  
Ya know we nearly died

Sometimes, sometimes  
I see familiar faces  
In rooms, in the sky  
Liking what you tasted  
That's just the way it goes  
Come on, come on, come on, come on ...  
Ya know we nearly died  
That's just the way life is  
Come on, come on, come on, come on ...  
It's so good to be alive

Three steps to heaven, man  
I took two and I sit back down again  
Three steps to heaven, man  
I took two and I sit back down again

Oh, oh, we nearly died  
It feels good, so good  
To be alive  
Oh, it feels good to be alive  
Come on, come on, come on, come on ...(we nearly died)

Three steps to heaven, man (come on, come on, come on ...)  
I took two and I sit back down again (feels good to be alive)  
Three steps to heaven, man (come on, come on, come on ...)  
I take two and I sit back down again (we nearly died)  
Come on, come on, come on, come on ...  
It's all right, all right  
Come on, come on, come on, come on ...  
It's all right, all right, all right, all right  
Come on, come on, come on, come on ...
