

Deadline

Vic Chesnutt

Deadline, it aint moving
Deadline, stiff as a board
Deadline, ending is soon
But I gotta get something done done done, done done done soon.

Deadline, under pressure
Deadline, it's gonna snap
Deadline, serious semester (?) And I gotta get something done d
one done, done done done soon.

Deadline, down to the wire
Deadline, it's bumming me out
Deadline, I'm oughtta retire
But I gotta get something done done done, done done done soon.
