

Stay Inside

Vic Chesnutt

well, i guess i'm through stewing
how 'bout lets roll the rock away?
my bedclothes have gone all funky
i've got to get out of this cave

stay inside!

well the times they are a-changin'
look at all the idlers
soon there will be no one to shear the sheep
and i am cold natured

stay inside!

suddenly everything's different and
everyone's on edge
i just wanted to bring folks together
but it seems that i am the biggest wedge

stay inside!
