

# Love Is The Only Proof

Vicci Martinez

Love is the only proof  
I don't mind the things that life brings  
It's just kind of funny how it all falls on me  
But at the same time it can be too much  
For a purpose so well drink it up  
Oh yeah  
We all surf these waves  
There's highs there's lows  
If you just keep riding  
You will see that anything goes  
And then the simple truth is to all seems  
We back each other up we can calm the seas  
Fill them with hate  
Fill them with hate  
My love  
The waves roll quickly  
They roll over us  
And they fall back out to sea  
We can try to prove ourselves  
Or we can let it come out naturally  
The waves roll quickly  
They roll over us  
And they fall back out to sea  
And we can try to prove ourselves  
Or we can let it come out it, it comes naturally  
We can move so fast we catch our breath  
We living perfectly  
We can try to prove that love is true  
We can move so fast just catch our breath  
We living perfectly  
We can try to prove that love is true  
If we let it come out  
We let it come out  
Let your love come out  
It come out naturally  
Won't you let it come out  
Yea let it come out  
Let it  
So let it babe  
And prove for yourself  
Love is the only proof I have to give  
And prove for yourself  
Yeah love is the only proof I have to give  
And i'll prove myself  
Cause my love is all I have to give  
Yes all I have to give  
Yes i'll prove yes i'll prove  
Yeah i'll prove yeah i'll prove  
Yeah myself yeah myself  
Cause my love is the only proof I have to give  
Can you feel it  
Yeah love is the only proof I have to give  
Can you feel it  
My love is the only proof I have to give  
Oh I can feel it  
Oh I can feel it  
My love is the only proof

My love is the only proof  
My love is the only proof  
My love is the only proof I have to give  
I have to give  
I have to give  
It's in you it's in me  
Yeah you yeah me (4x)  
Yeah I'm feeling love yes I'm feeling love  
Yeah love
